

## Atwood Public Library Summer Reading Program 2018

June and July 2018

For ages 3-finished Preschool

### Summer Reading Program Challenge –

Our Book Worm was so much fun last year we decided to do that again this year for this age group. Keep track of books read on the booklets we provide and for every 10 books we will have a treat for you! For each book, we will put up a new circle to make our Book Worm grow and grow! Stop into the library starting on June 1 to get your first booklet! Don't forget, if you are participating in our 1000 Books Before Kindergarten program that you are welcome to use the same books for each program.

### Summer Programs –

Every Wednesday at 11:15 am (except July 4 and 18) plus a bonus program on Monday, July 16 at 1:00 pm with Smoky Hills Public Television! We will be having fun with books, music, guest speakers, crafts, and lots more! Parents/Guardians are required to attend with children under the age of 6.

We think Libraries Rock and we hope you do too!!
